PalCare®

Advancing Senior Care with Expert Solutions

Innovative Technology for Exceptional Outcomes

PalCare is a leading, end-to-end senior care technology solution for emergency nurse call, access control, remote monitoring, and wander management. Designed specifically for the senior housing industry, PalCare provides:

- A reliable, integrated platform for trusted service when residents need it most
- Easy-to-learn, intuitive technology for caregivers and staff
- Advanced data and reporting capabilities that drive staffing efficiencies and improve resident outcomes
- 24/7 monitoring, maintenance, and call support

The Reliable, Data-Driven Solution for...

Emergency Nurse Call: Send and receive alerts from mobile devices, wireless pendants, and pull-cord devices

Security & Access Control: Streamlined coordination for a central system, keypad and card systems ensure your community is safe

Remote Monitoring Services: Offsite monitoring platform forwards emergency calls to an after-hours center when caregivers aren't present

Wander Management: Manage residents with discrete tags and enhanced alerts from doors

Why Trust PalCare with Your Community?

- ***Reliable & Safe:*** PalCare has been trusted to keep residents safe since 2003.
- ***User-Friendly:*** Our hardware & software prioritizes ease of use.
- ***One Point of Contact:*** We handle manufacturing, design, installation, and support.
- ***Data-Driven:*** Streamline staffing and operations with our cross-functional analytics.
- ***Innovative:*** Focused on product development to ensure we meet our communities' changing needs.

Hear From Our Communities

"We recently installed 12 PalCare systems in 5 states across the country. From the bid process through installation and training, the experience for us was great. We selected PalCare for its proven Inovonics platform, its technology forward server systems, and enterprise-level reporting." - *Mark Tussing, Spring Hills Senior Communities*

"I love the simplicity of the PalCare system. I can log in from anywhere and check in on things." - *Brent Beadle, Sunrise of Quadrangle*

"We feel important to PalCare, they really listen to us." - *Mark Kronner, Presbyterian Villages of Michigan*
